## PRESS RELEASE

# **INFORMA MARKETS VIETNAM ORGANIZES VIETNAM'S INTERNATIONAL WATER SUPPLY, SANITATION, WATER RESOURCES AND PURIFICATION EVENT – VIETWATER 2024 AND WETV 2024 – THE VIETNAM'S LEADING EXHIBITION ON WASTE TREATMENT AND ENVIRONMENT TECHNOLOGY FROM NOVEMBER 06<sup>TH</sup> – 08<sup>TH</sup>, AT SECC, HO CHI MINH CITY**

*From November 06<sup>th</sup> – 08<sup>th</sup>, 2024, at the Saigon Exhibition and Convention Center (SECC), District 7, Ho Chi Minh City, Informa Markets Vietnam will hold Vietnam's International Water Supply, Sanitation, Water Resources and Purification Event – Vietwater 2024 and Vietnam's Exhibition on Waste Treatment and Environment Technology – WETV 2024. The events serve as an all-in-one place for brands to showcase cutting-edge technologies and solutions in water supply, wastewater treatment, sanitation and purification, along with waste management and environmental technologies. As one of the leading trade shows in Vietnam's water industry for the past 15 years, Vietwater 2024, in conjunction with WETV 2024 will gather over 450 exhibitors from more than 25 countries and regions. The trade show is expected to welcome over 10,000 specialized visitors.*

## **ABOUT VIETWATER 2024 AND WETV 2024**

This year, **Vietwater 2024 & WETV 2024** bring together 450+ companies that are leading manufacturers, distributors of equipment, machinery, technologies serving the water supply, sanitation, and wastewater treatment industry from 25+ countries and regions. In particular, there are 10+ international pavilion groups from China, German, Italy, Japan, Korea, Singapore, Switzerland, Taiwan, Türkiye and Vietnam.

On a total gross area of up to 10,000m<sup>2</sup>, these companies will showcase products in various categories including water supply technology; water irrigation and sewerage; wastewater treatment and management; sludge treatment technology; desalination and dewatering; pumps and valves; membranes/ filtration; piping & water fitting; water testing & measurement; and other sustainable water technologies. Besides, contributing to the diversity of the portfolio, **WETV 2024** – the co-located exhibition will also bring many environment-related equipment technologies such as sorting machine; waste collection and transportation; waste treatment and management; recycling; environmental monitoring and measurement; technology to generate energy from waste materials and many others.

Building on the success of previous editions, **Vietwater 2024 & WETV 2024** will bring a high-quality series of international conferences on water and solid waste treatment. The program will cover practical topics such as “Strategizing Collaborative Innovations for Transformative Smart Water Management and Governance”, “Effective Water Management for Sustainable Development”, “Water Reuse Meets Sustainable Development of Water Industry”, or “Technology of Collecting, Classifying, Transporting, and Treatment of Domestic Waste towards Green Development”. This series will bring practical solutions and contribute to the sustainable development of the water, as well as environmental industry in Vietnam.

The conference series will gather many leaders from Vietnam's water and environmental sectors, including representatives from Pollution Control Department, the Department of Water Resources Management, and the Institute of Strategy and Policy on Natural Resources and Environment, under the Ministry of Natural

Resources and Environment; the Department of Irrigation - Ministry of Agriculture and Rural Development; the Department of Technical Infrastructure - Ministry of Construction; the Department of Agricultural Economics - Ministry of Planning and Investment; the Institute of Environmental Industry; and the Institute for Circular Economy Development. Additionally, the event will host local associations like the Vietnam Waste Recycling Association; the Vietnam Association for Safe water and Environmental; the Vietnam Irrigation Association, as well as representatives from trade and energy agencies, including Ministry of Energy Transition and Water Transformation Malaysia; the Embassy of Israel in Vietnam; Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ); Water Envoy for the Kingdom of the Netherlands; Malaysia Water Association; Cambodia Water Supply Association; Association of Indonesian Drinking Water Companies; Singapore Water Association; Philippine Water Works Association; Water Stewardship Asia Pacific; University of Geomatika Malaysia and so on. This series also gather well-known speakers from leading companies, such as Ho Chi Minh City Urban Environment Company Limited (CITENCO), Saigon Water Corporation (SAWACO), AMACCAO Vietnam Group, Hitachi Zosen, Halcom Vietnam JSC, Air Selangor, Water Konsortium, etc.

The special feature of **Vietwater 2024** is the exclusive business matching event, themed **“Connect Today – Infinite Success”** designed to facilitate direct 1:1 trade interaction between potential buyers with over 450 suppliers from around the world. Qualified registered buyers will have the chance to enjoy exclusive treatment, including scheduling 1:1 appointment with the exhibitors, accessing to the VIP business lounge and check-in counter, receiving souvenir gifts and being allowed to join net-working dinner or happy hour.

A new highlight of this year’s exhibition, **Water Hackathon** competition, promises to make a strong impression. Organized by **Informa Markets Vietnam** in collaboration with the **Vietnam-Netherlands Friendship Association in Ho Chi Minh City, Saigon Innovation Hub (SIHUB)**, and **Institute of Environment and Circular Economy Southern (IECES)**, the event will showcase and honor sustainable innovations in water and solid waste management.

With its diverse range of showcased products, international conferences, and practical business networking activities, **Vietwater 2024 & WETV 2024** promises to be an eagerly awaited edition, opening a new chapter for the development of the water industry in Vietnam.
